

IOMDO&AC INTER-CLUB REPORT & RESULTS - 15TH MAY 2011

The second Inter-Club event of 2011, now known as the "Blackberry of Rushen Agility Challenge", was held on Sunday May 15th at The Glebe, hosted by the IOM Dog Obedience & Agility Club. Unfortunately due to the miserable weather, the event had to be held indoors, but nevertheless was well attended with a good representation from all three clubs.

The judge for all three classes was Frank Mitchell, with the first class being the agility class, which was an interesting and, in places, quite challenging course. Next was the jumping class, again quite a challenging course, and finally a helter skelter fun class, which whilst not being a completely straightforward course, was a nice blast to finish and resulted in far more clear rounds.

The final placings for each class are listed below, with Douglas Dog Training Club being the overall winners by an impressive clear 30 points, and they were presented with the "Sally Trophy" by Brenda Charlton, the original sponsor of the trophy in memory of her beloved dog. The trophy was accepted by DDTC Agility Rep, Steven Goldsmith, who thanked IOMDO&AC for hosting a very enjoyable event, upon which it had been commented had a great atmosphere all afternoon. Steven went on to congratulate all of DDTC members in particular on some great handling and presented the trophy to the member who had accumulated the most points for the club at the event, Sarah Elliott. An enjoyable and, as usual, fun afternoon was had by all, with the usual comradeship being displayed by all, to both fellow DDTC members and also to members of the other two clubs. Well done all!
